

Managing Maternity Returners

Purpose

Managing a smooth transition from Maternity leave back to work can be a concern for many employers. This course will explore your legal responsibilities as an employer and the best practice solutions that leading companies already use

How you benefit

Support managers throughout your organisation; with knowledge of the options available to support returners from maternity leave they will be able to actively deploy effective solutions to co-ordinate the handover period, arrange replacement cover and ensure that business needs are met. Your organisation will create an environment which is welcoming to returners and utilise flexible working policies in a way that best suits your company.

What you learn

- Your responsibilities as an employer
- Common expectations and concerns about maternity leave
- How to communicate with your employee when on maternity leave
- How to manage workloads and management issues on return

Duration

2.5 hours

Fee

£40.00 + VAT

This course can be tailored to meet the specific needs of your organisation and delivered at your preferred location.
